Cliff Dorsey, a Nashville-based country artist from High Springs, Florida, is known for his rich baritone and storytelling reminiscent of Cash, Haggard, and Strait.

The title track of his debut EP, *New Neon*, produced by Zach Swon & Colton Swon, reached Top 40 on MusicRow charts.

Now collaborating with Janelle Arthur on a five-single project through 2024-2025, with the team's first release from the project 'Your Guess' reaching Top 40 on the MusicRow charts.

When he's not on the road for music, you can find him hunting, fishing or exploring his favorite Florida river the Santa Fe River.
